## Saskatchewan Walleye Trail Membership

Last week the Regina Beach Walleye Tournament and the Lake Diefenbaker Walleye Classic were cancelled due to COVID-19 and the uncertainty that surrounds it. At this point, Sask Landing and the LMFWC are still pending. The Saskatchewan Walleye Trail bases their prize structure and award categories around the fact that we operate on 4-5 events per season. **Due to COVID-19 restrictions and the uncertainties that lie ahead, the SWT Executive have made the decision to cancel the SWT 2020 season.**

We will be refunding any SWT memberships received for the current year. Unfortunately, this will also mean the **Early Bird Registration Draw will also be cancelled.** It should be noted that all members that held a membership in the previous year will hold an honorary membership for 2020. Should Sask Landing and the LMFWC occur, arrangements will be made to recognize honorary members at those events.

Everyone is feeling the effects of COVID-19 and that includes our sponsors. As SWT members, we have the opportunity to show our appreciation in such challenging times. Please continue to show your support.

The entire SWT Board wishes everyone to stay safe in this time of uncertainty.

Sincerely,

*The Saskatchewan Walleye Trail Board of Directors*
