

REGINA BEACH & DISTRICT LIONS CLUB

April 23rd, 2020

Dear Angler

As we face an unprecedented time for all of us, we find ourselves adapting to new ways in which we live, work and play. The world has changed before our eyes in so many ways, in such a short period of time.

With concern for the health and safety of both our anglers and those working the event, in addition to consultation with the Saskatchewan Walleye Trail (SWT), the Regina Beach & District Lions Club has regrettably decided to cancel this year's event. We considered delaying the event to either July or August; however with still a large uncertainty as to when our physical distancing and other measures might end we felt it in everyone's interest to cancel this year's event. **The next Regina Beach Walleye Classic will be held on June 5/6, 2021.**

Although this is a major fund raiser for our Lions Club which ultimately supports community needs, the health and safety of all our participants and volunteers supersede any funds we may have raised.

We are now in the process of returning the entry fees paid, mailing our RB Lions Club cheques to those whose cheques or drafts we've deposited and returning cheques we held awaiting a final decision. If any team wishes to have these fees held and posted for next year's event please email me prior to April 30th in which case we will email you the new entry form for 2021.

We want to sincerely thank all of you who sent in entries and hope you will support the Regina Beach & District Lions Walleye Classic scheduled for next year. We also want to thank the SWT and members of their executive for the support and guidance they provided us this year.

Our new entry form for next year's event will be posted on our website next month.

Again, we hope to see you all next year and in the meantime you and your families please stay safe.

Yours in Service,

Lion Terry McAleese
Regina Beach & District Lions Club
2020 Walleye Classic Co-Chair
