

Last Mountain Fall Walleye Classic 2020 CV-19 UPDATE

(for immediate release)

June 30th, 2020

Changes for 2020 regarding CV19 Restrictions:

Harbour/Marina Activities

- Face covering required while in parking lot, on docks, marina area, harbour and weight scale area
- Physical Distancing of 2 meters to be followed !
- No Event Tent, Beer Garden, Large Gatherings

Weight Scale / Weight In Activities

- We will be limiting the number of boats and anglers in the harbor during weight in. Face covering mandatory on the water in the harbor, at weight scales and weight in area.
- Public will not be welcome in weight in area, anglers and Marshall's ONLY !
- Physical Distancing will be mandatory at all times !

Rules Night

- Will be done on line – TBA, will be mandatory for one team member to sign in to ZOOM meeting. **LOAD ZOOM APP On YOUR PHONE OR TABLET PRIOR TO EVENT**
- Rules can be found in tournament magazine and will be in your registration package. It is your responsibility to read them, we had three DQs last year because rules weren't followed.

Team Registration

(We will not be accepting Big Fish or Bonus Side registrations, must be done before event by check and mail)

- Registration will in a drive thru/up format, physical distancing measure will be in effect!
- All teams to attend, you will be required to drive up to check points in a non -public area while remaining in your vehicle registration etc. will be done.

Changes to overall format....

- No boat holders at weight-in docks, fenders and ropes to tie up will be required
- No large public gathers involved with tournament event – we encourage this in campground and cabins, limit the size of gatherings with your buddies (If we create a problem with CV19 it may affect future events in 2021. BE Responsible....
- Awards will be done VIA Facebook Live – TBA.
- Checks and Prizes will need to be picked up Sat pm at weight master tent
